

DAVID WALSH

david.walsh@email.com | Dublin, Ireland

SUMMARY

Technical Product Manager transitioning into engineering with 3 years of PM experience and 1 year of self-taught coding. Limited but growing technical depth.

EXPERIENCE

Product Manager — SaaS Platform (2021–2024)

- Managed product roadmap for a B2B SaaS platform (React frontend, Node.js backend)
- Wrote technical specifications and worked daily with engineering teams
- No hands-on coding in professional environment

Self-Taught Developer (2024–Present)

- Completed freeCodeCamp Full-Stack curriculum
- Built 2 personal projects in React and Node.js (deployed on Heroku)
- Basic familiarity with REST APIs and Git

SKILLS

- React (self-taught, 1 year), Node.js (basic), HTML/CSS
- No cloud or database production experience
- Strong written communication and stakeholder management

EDUCATION

BA Business & Computing — University College Dublin (2017–2021)
